June 18, 1997.

Borland International, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the Pacific Exchange ("PCX" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

According to the Company, the Security is also listed on the Nasdaq National Market which was declared effective by the Commission and commenced trading on December 19, 1989. In order to reduce costs and administrative duties the Company has decided to list its securities only on the Nasdaq National Market. The Company has complied with the rules of the PCX by requesting delisting of the Security. The PCX has raised no objection to the Company's request.

Any interested person may, on or before July 10, 1997, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

**Issuer Delisting; Notice of Application
To Withdraw From Listing and
Registration; (The Great Train Store
Company, Common Stock, \$.01 Par
Value)**

June 18, 1997.

The Great Train Store Company ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the Pacific Exchange ("PCX" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

The Company has registered its Security for inclusion on the Nasdaq National Market effective on April 17, 1997. The Security began trading at the opening of business on April 29, 1997.

In making the decision to withdraw its Security from listing on the Exchange, the Company considered (i) the direct and indirect costs and expenses associated with maintaining a listing on the Exchange concurrently with the Company's inclusion in the Nasdaq National Market; and (ii) the possibility that the dual listing would fragment the market for the Company's securities.

According to the Company, it has complied with rules of the PCX by filing with such Exchange a copy of the resolution adopted by the Company's Board of Directors authorizing the withdrawal of its security from listing on the PCX and by setting forth in detail to such Exchange the reasons for such proposed withdrawal, and the facts in support thereof.

Any interested person may, on or before July 10, 1997, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
